

BIG DEAL PRESENTATIONS

As a courtesy to all who participate as SSREI members, for 15 minutes prior to the start of the meeting (7pm) We will have a power point presentation that showcases the current deals that people currently have available. This allows our group to connect the Sellers and the Buyers so that SSREI can continue to meet our number #1 goal, Real Estate Investing. (You must restrict your submissions to properties that are appropriate for investors)
